STRUCTURE PLAN

The text is given below of the letter sent by the Parish Council to the Cambridgeshire County Council. It will be seen that the letter follows the tone of the public meeting, which was called in order to inform residents of the two strategies contained in the Structure Plan.

In the period prior to the meeting our County Councillor, Mr Cornell had been advised of the opinion of the Parish Council to any plans for extending the village beyond the agreed boundaries. At that time Councillor Cornell was Chairman of the County Planning Committee.

Dear Sir,

COUNTY STRUCTURE PLAN

The Parish Council has not only discussed the proposed alternative presented in the County Structure Plan, but has also held an open meeting in the Village. We are very grateful to Councillor Cornell and the County Planning Officers who attended our meeting, explained the alternative schemes, and answered questions.

We would like to comment as follows:

The objectives of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of Bar Hill Village.

1. The original intention of the County Council when planning Bar Hill was to provide a self-contained community. We have a vehicle-free footpath system linking groups of houses, a primary school, church centre, health centre, shopping centre and an industrial area.
2. The original plan is being realised, with but minor modifications; some development outside the perimeter road. But inside, the Village of Bar Hill is a comparative rarity; one which has been planned as a whole.
3. We have a population of some 2,200 - about 45% of the planned total. We are building the spirit of 'community' which the Village must have to succeed. We are therefore very much averse from any further development which would degrade the Village we are trying to build.
4. Moreover, we are sure that the Village as planned should be completed before there is any thought given to the next step. At present, the indications are that, because Bar Hill is more 'planned' than other villages, it can stand less in the way of modification.
5. Having said that, however, we should at least look at the implications of expanding Bar Hill beyond the present plan; that after all is what we have been asked to consider. The density of housing inside the perimeter road cannot reasonably be increased; it follows, therefore, that any additional population would have to be housed outside the perimeter road.
6. It is assumed that the planning for such additional development would be carried out as a whole, rather than piecemeal. It follows from that that such development would stand alone, would therefore have nothing to do with the planned Bar Hill, and could therefore go anywhere where there was an open space.
7. Anyone moving into an old-established village can expect development to take place here and there. But those who have moved into Bar Hill have been expressly told what to expect - namely, a village designed and planned as a whole. If evidence for this be needed, it can be found in two quarters. On the one hand, it is in the evidence given by the County Council at the planning enquiry held before permission was granted for the building of a new village. On the other, it is in the hopes and aspirations of the residents of Bar Hill themselves.
8. We are far from convinced that there is a need to enlarge Bar Hill, extrapolated from growth-rates of populations, areas, job opportunities and so on. To the contrary, as we have said above Bar Hill needs time to grow as planned and to consolidate its community.

9. We are not in favour of further promises such as the future provision of a secondary school. It is important to fulfill outstanding promises as far as possible to the letter, or there will be little credibility in further promises.
10. This Council, certain that it reflects Village opinion, strongly opposes any plan to increase the size of Bar Hill beyond that at present planned.

Yours faithfully,

Rodney Dale
Chairman, Bar Hill Parish Council

BAR HILL RESIDENT'S ASSOCIATION MINUTES

Minutes of the meeting held on Monday, June 13th, 1977 at the school.

Minutes of the meeting were read and approved

Apologies for absence were received from:-

Mrs Wood, Mrs Hall, Mr Wingate, Mr Tyler.

Resignations were received from:-

Mr T. Mitchel, 59, Oatlands Avenue.

Mr D. Edwards, 12, Almond Grove.

Thanks were given for their work over the past months.

Matters arising:- A.O.B. Items (I-Trees at Appletrees:- regrettable but no action can be taken.

- 2) Spinepath. Developers have been informed.
- 3) Moving of a young tree. No reply from Parish.
- 4) Driving of Vans. No reply from those concerned.
- 5) Slabbed Path. No reply from Parish Council.
- 6) Light. Believed to have been rectified.
- 7) Litter around village. Parish Council are organising a litter campaign.

Membership Report. David Price reported that Committee Members are a little slow in finishing accounts and passing on the monies. Money received to date is £78.75. Membership subscription is the main source of revenue to the Association.

Treasurer's Report. George Clapinski reported that our Bank balance is about £150. We broke even on the sale of the T. Shirts after paying off advertising costs.

Parish Council Report. Mary Ingram gave the report of the meeting on the 17th May, itemising several points of interest to the villagers. The question of workload was raised. The Resident's Association wrote to the Parish Council endeavouring to help with this problem.

Tenth Anniversary Report

Gerry Brunning gave the report on behalf of what the Resident's Association did for the weekend. Letters of thanks have been received from the Police who co-ordinated the marshalling for the cycle race, from the Secretary of the Cycle Club, asking if there can be an annual event incorporating more of the villagers, and thanking the marshals and all helpers for their work and from the Hotel.

Bar Hill News.

The Committee were told of the late copy that came in last weekend. The slight production problems. i.e. Two screws dropped out of the machine, thus ripping the stencils. Thanks were expressed to the Parish Council for agreeing to purchase 200 reams of paper on our behalf. We will be buying it back from them as and when we need it.

A.O.B.

- 1) It is reported that Mr Rich has made a handsome donation towards the costs of the Bar Hill News, and he will receive a copy of the news.
- 2) It was reported that a proposed development is to take place at the top end of the Village Green. It was asked why the original building lane has changed at that end of the Green without consolidation. It was pointed out that discussion on this point was difficult as the matter had not been to Parish Council, and this was not the correct time to go into detail but at the next Parish Council Meeting.
- 3) It was reported that a manhole cover is damaged opposite the Bridge/Sluice to Dry Drayton. The Parish Council have been informed.
- 4) Bonfire Night. The Developers are offering to support the Fireworks Display, as this is our Tenth Anniversary. It was suggested to approach Standards directly.
- 5) Information Booklet is progressing and it is hoped to be out in the Autumn.
- 6) Structure Plan:- Tony Parrot, Parish Councillor, read out the letter from the Parish Council to the Planning Dept. David Lindsay, Parish Councillor, made comments from the Cambridgeshire local Councils Association about the Strategies Quote.

"The Alternative Strategies

The Association regards this method of consultation as somewhat questionable leading many people to assume that they must opt for one strategy or the other.

- 6) Particularly those affected and hostile to a particular strategy will tend to suggest the alternative to be desirable. Whereas in fact they would not fundamentally agree with either. The Association rejects both these alternatives"
 Discussion took place about the type of protest to be made, and if a protest will do any good.
 Tony Parrot pointed out the physical position Bar Hill is in relation to other areas, roads etc, and how desirable Bar Hill would be for development. Gerry Brunning informed the meeting that a village has to be approx. 9.200 to support a Secondary School/subsidised Police, Ambulance.
 13,500 will put on approx 2.90 on rates.
 16,000 will put on approx 4.90 on rates.
 Thereafter it should cost less.
 The meeting proposed that the Resident's Association and the Parish Council should join to draw up a petition to be circulated around the village, along the lines of avoiding rapid growth, allowing the village community time to develop, and to allow the village plan to be fully developed.
- 7) Retired Residents
 It was reported that there are 70 such residents and their club has now folded up. The Committee were asked to help. The Committee are not sure in what way to help, and will seek advice from anyone!
- 8) Discussion took place on
 - a) Rates
 - b) Village Hall Complex.
- 9) A Red Car has been improperly parked in Oatlands Avenue. Action is being taken.
 A Car is being parked dangerously at the corner of Oatlands Avenue and the perimeter road. Action is being taken.
- 10) Tony Parrot asked several questions about the letter which was sent to Parish Councillors concerning the work load of the Council.
- 11) Thanks were given to all the members of Public who attended.
 The next meeting will be held in the school on July 4th, 1977 at 8 p.m. All members of the Public are welcome to attend.

PARISH COUNCIL - NOTICE OF VACANCIES

Parish Councillor

Peter Wood has resigned from the Council from 30 June 1977. I would like to thank him for the tremendous amount of work he has done for us- and therefore, for the Village, and wish him well in his new surroundings.

His going leaves a vacancy on the Council, and there is a notice elsewhere in the News about this. If two electors give me notice on or before Saturday 9 July that they wish a public election to be held (if the seat is contested), then we will hold such an election. If I do not receive such notice, election will be by secret ballot of the Parish Council.

School Manager

Terry Barnes, who has been one of our representatives on the managing body of the primary school since it was constituted, has also resigned. Again, we would like to thank him very much indeed for the work he has done in the capacity. Would any resident who would like to be considered for this vacancy please contact me on or before Tuesday 12 July 1977.

Clerk to the Council

Mark Pettit, who has been our indefatigable clerk for some four years, wishes to resign from this duty at the end of September. He will be remaining as treasurer, I'm pleased to say. However, his resignation will leave a key post to be filled - it demands about 30 hours work each month, and is paid. We are looking for applicants, and hope to be able to tailor the scope of the duties to the particular talents of the successful applicant. If you would like to discuss this post, or apply for it, please contact either myself or Mark Pettit, preferably before July 18, our next Council meeting.

PARISH COUNCIL - MEETING NOTES

Before I hand over to the Clerk who will give his meeting notes, I would like to say how pleased we were to welcome so many members of the public to our last meeting. Perhaps I should apologise for the length of the meeting, but I felt, and the Council agreed with me, that anyone who wanted to ask a question or air a view should have the opportunity. We hope that we will continue to welcome residents - our meetings are long because there is a great deal to get through, but if you continue to attend regularly you will see the pattern emerging and most questions will be answered before they have to be asked.

Rodney Dale
Chairman

Various Vacancies: 3 vacancies for

- a) Parish Councillor
- b) School Manager
- c) Clerk to the Council

2. **Planning:** The main item was an application for outline planning permission by Bar Hill Developments Ltd. The area of land is a strip across the highest end of the Village Green at right angles to the Spine Path. The Council opposes this application because there is sufficient building land available in the Village, because the proposed development does not fit in with the Village Plan and because such development will interfere with sporting activities on the Village Green.
It should be made clear that this application covers an area of 2 acres of the Village Green.
3. **Jubilee Belt:** It is hoped that a Jubilee Tree Belt can be planted in the next planting season. The trees will be supplied free of charge by the County Council.
4. **Village Green:** The last very wet winter has shown the need for extra drainage on the Green. The Council agreed that existing village green cash reserves will be used, to a maximum cost of £1500, to carry out tile drainage works on the Green before the Autumn.
The existing reserves referred to above are those in respect of an extension to the path across the Green, and in respect of play equipment. In effect, this year's budgetted expenditure is being re-allocated.
5. **Village Hall:** Because of vehicle access problems to the preferred site adjacent to Bar House Farm, an alternative strategy is being developed to allow vehicles to gain access, alongside the Drift from the Dry Drayton end.
The application for County Council, District Council and central Government grants has now been submitted. If these applications are successful, the building work should commence in April 1978.
6. **Television Aerials:** For the present, the maintenance contractor for the television aerial system is J. Haines and Company, 12A, King Street, Sudbury, Suffolk, telephone 73181.
If you have an aerial defect, please find out if any neighbours are affected before contacting Mr. Haines.
If, however, you live in Oatlands Avenue, Partridge Drive or The Otters, then the installation work for the aerial system is incomplete.
This installation work is being carried out on behalf of the developers. The developers have asked their contractor to complete the programme of work.
7. **Full minutes of Council Meetings** are posted on the Notice Board in the Hall. Meetings are held on the third Tuesday of every month. The next Meeting - open to the public - Tuesday July 19th at 8.00 p.m. Village Green Hut.

The following is a copy of the Notice posted on the Board on June 22nd 1977:-

Bar Hill Parish Council

Vacancy for a Councillor

1. There is a vacancy on the above Council caused by Resignation of Peter Wood on leaving the Village.
2. A bye-election to fill the vacancy will be held within 14 days from the date below two electors for the parish give notice in writing claiming such an election to the Returning Officer.
3. The Address of the Returning Officer is either M. Pettit, 28, Acorn Avenue, Bar Hill, or R. Dale, 16, Almond Grove, Bar Hill.
4. If no such notice is given the Parish Council will fill the vacancy by co-option.

Bar Hill Residents Association

Owing to pressure of work and family commitments several members of the committee have had to resign. This leaves a hole which needs filling by YOU for YOU. We need willing helpers who have the time to become involved with the problems of a growing Village.

If you feel you have the time, Energy and Enthusiasm, will you please contact either Mary Ingram or Gerry Brunning, their addresses are on the front cover.

Thank You.

Village Hall Management Committee

The meeting postponed from 16th June will be held on Tuesday 5th July at 8 p.m. in the Green Hut. All organisations in the village have a right to have a member on this committee. Any organisation which did not send a representative to the first meeting on 28th April may still do so now.

Items for discussion will include fund raising, operating rules, meetings programme, publicity and a review of the Village hall proposals.

John Wills

Secretary Village Hall Management Committee.

Bar Hill Parent Teacher Association

Thank you again to everyone who helped to make our May Day a success. The money made on this occasion will be put in the Bank until a decision is made as to how to spend it! We will of course let you know when this decision is made.

Please would all unsold articles be collected at the end of the Wednesday Sale.

Thank you.

Ballet Classes

Summer term ends July 11th.

I am extremely sad to inform you that after this term I will no longer be able to continue holding classes in Bar Hill.

My Fiance and I will be getting married in the summer and then moving to Newark in Nottinghamshire.

At present I am unable to find a replacement teacher but will continue to search because it will be a great pity to end ballet for many children.

Thank you for your support.

Jane Elsmore.

PLAYGROUP NEWS

For the attention of all parents of children 0-5 & also for "Parents-To-Be".

For many years now Fund-Raising has played a major part in the Playgroup Committee's work and this year is no exception.

As you will know, if you attended the recent A.G.M. it is no longer possible for us to have our own Playgroup building. However, we are to have a room in the new Village Hall Complex, hopefully to be completed in 1979, but we must have £2,000 to equip and furnish this. We are already well on the way to raising this, thanks largely to the enthusiasm and energy of previous committees and the Parish Council.

We now set ourselves a target of £500 and must raise this by May 1978 THIS CANNOT BE DONE WITHOUT YOUR HELP, we therefore ask for your support at various fund-raising activities to be staged throughout the year. Please remember that it is the toddlers in the village, the babies and those that are not yet born who will benefit from this new Playgroup room. It would be very encouraging to see some new mums supporting our efforts.

PLEASE TURN OUT IN FORCE for the next event - A GARDEN PARTY WITH ALL SORTS OF ATTRACTIONS for children and adults - at 60 Foxhollow on 25th July 10 a.m. - 12. noon. (If wet activities will take place inside) IT IS NOT NECESSARY TO HAVE A CHILD AT PLAYGROUP IN ORDER TO ATTEND. Everyone will be welcome.

If you are interested in our progress with the fund-raising please see the notice-board outside the Playgroup room. Forthcoming events will also be posted there.

Liz Saxton
Chairman Playgroup Committee

WEA NEWS

There will be a meeting at the School, at 8 p.m., on Wednesday, 6th July, to discuss our 12-week SOCIAL ANTHROPOLOGY course, starting in September, with our tutor, Dr Colin Murray.

If you think you might be interested, but are not quite sure what 'social anthropology' is (and in this you would not be alone) please come along and find out what its all about, with no obligation. If you are already knowledgeable on the subject, your contribution to the discussion on how we should construct the new course will be more than welcome.

Past members of our classes, especially those who came to our Local History course last summer, may be interested to learn that Dr Graeme White, WEA Tutor-Organiser for Cambridgeshire for the past six years, will be leaving us this summer to take up an appointment in his home town of Chester, as Lecturer in History, at the new College of Higher Education. Graeme will be at the meeting on 6th July, which will give us an opportunity to wish him well in his new job, and your committee thought it might be a nice gesture, in appreciation of his help and interest in the Bar Hill Branch, if we were to give him a small memento of us in the form of a book token. If you agree, and would like to join in please hand your contribution to Julia Harrison, our Treasurer, at 20 Almond Grove, before the 6th if possible.

1st BAR HILL SCOUT GROUP

Waste Paper - our next collection will be on Saturday 9th July starting as usual at 9 a.m.. Please try to remember to put your papers out nice and early. The company which purchases our waste paper has had to bring to our attention that a certain quantity of household waste has been found in some of the plastic bags of waste paper that we collect. If you are in the habit of storing your papers in one of these sacks please ensure that only papers are included, as bottles and tins which being unpleasant to handle, are also dangerous. Thank you.

SUMMER HOLIDAYS - are nearly here again and as usual, the Troop and the Packs will be standing down whilst the schools are closed. Nevertheless there will be plenty for the boys to do whilst they are on holiday including our now regular cart and cycle rallies. Also there will be the 'Keep Bar Hill Tidy' campaign run with the Guides and Brownies and full details of these and all the other activities that will be going on during the holidays will be shown on posters to be displayed in the Church Centre and in The Mall.

ADULT LEADERS - are something that we are always short of. If you feel that you would like to help either on a regular or part time basis, please contact Kevin Reed-Jones of 34, Acorn Avenue who will be delighted to discuss the matter with you.

CAMP FIRE - we are sorry that we had to change the day for this event but at the time it seemed the only thing to do. As it turned out the weather improved and Tuesday evening would have been ideal for it after all. Still we did manage to get it going on the Friday and all the children, and adults, who turned up had a good time after all.

BAR HILL FOOTBALL CLUB

Training for the coming season will start on Wednesday 6th July 1977 at 6.45 p.m. on the grass area behind the farm house and every Wednesday thereafter until further notice.

Old members and people who have not played or been associated with the club are welcome even if it is only to gain personal fitness.

BAR HILL HORTICULTURAL SOCIETY

B.B.C. Gardeners Question Time: If you missed last months mention of the date the team arrive to record a program, it is the 2nd September. As we are hoping for a large audience entry will be by ticket. These will be issued later and information will be in the News Letter.

THE AUTUMN SHOW: The show will be held in the school on the 10th September. As a prelude to the show a talk is being given by Mr Peacock, who you will remember judged last years show, the subject is 'Presenting your exhibits at Shows'. The talk with examples will be of great value to exhibitors. There are many prizes to be won at this years show, one being the Royal Horticultural Society's Banksian Medal. The schedule will be published later.

GARDEN COMPETITION: This years Final judging of the garden competition will be held on July 8th. Our judge this year is Mr Orriss, Superintendent of the Botanical Gardens.

I wish you good luck in the garden competition and the Autumn show.
